

END-USER LICENSE AGREEMENT

Thank you for purchasing and using our font. This End-User License Agreement (“EULA”) is a legal agreement between you (the “Licensee”) and Konstantine Studio (“Licensor”). By installing or using this font software, you agree to the following terms:

1. LICENSE OVERVIEW

You Are Allowed To:

Install the font on up to 5 devices (unless otherwise stated).

Use the font for personal and commercial design projects, under license limits.

Embed the font in static images (JPG, PNG, PDF, etc.) or vector outlines (EPS, AI, SVG) for end-use designs.

Use the font for branding, logos, packaging, merchandise, and non-monetized social media content.

You Are Not Allowed To:

Redistribute, resell, lease, or share the font files.

Modify the font files or convert them into new font software.

Rename the font or claim it as your own.

Use the font in any AI-training or font generation tools.

3. EMBEDDING & THIRD-PARTY USAGE

Web embedding is allowed with a valid webfont license using CSS @font-face.

App/game embedding requires an App/Game license.

PDF embedding is allowed for static documents only.

Agencies, clients, collaborators, or third parties must purchase their own license — this license is not transferrable.

4. COPYRIGHT & OWNERSHIP

All rights remain with Konstantine Studio. Purchasing a license grants the Licensee usage rights, not ownership. Unauthorized use or redistribution is strictly prohibited and may result in legal action.

5. VIOLATIONS & LIABILITY

Use of unlicensed, cracked, modified, or improperly shared font files is a violation of copyright law and may result in:

Removal of unauthorized materials.

Legal prosecution.

Financial damages or licensing back-charges.
